	<p>I've lived in Abingdon for nearly 40 years and have been involved in education, both in schools and with the Local Authority, for most of my life, working in a variety of roles including teaching, education and business support, service management and governance.</p> <p>I first became a governor at Fitzharrys School in 2003 attracted by the opportunity to contribute to the school's work. My initial commitment to a 4-year term of office turned into a much longer and extremely rewarding experience including more than 6 years as Chair of Governors before becoming a Trustee of the <a href="#">Abingdon Learning Trust</a> in 2018.</p> <p>I am passionate about supporting and challenging school leaders, fostering partnerships and driving improvements in educational outcomes for all students.</p> <p>Having worked with John Mason School as a former parent, local Governor and Trustee over many years I was delighted to be appointed to the JMS Local Academy Committee as Chair in 2024.</p>
