Dear Parents and Carers,

### **RSE Policy- Consultation and Feedback**

I hope you and your families are well. We are currently reviewing our Relationship and Sex Education Policy (RSE) and our Health Education Policy; we recognise the importance of this policy and strive to be transparent with families in our preparation and delivery of this policy.

To this end, we would like to offer you the opportunity to read the current version of this policy before it is submitted to our School Governors for final approval, and to offer feedback on the policy if you wish to do so.

Our RSE Policy is written in line with the guidance from the Department for Education in this area of students' education, including parents' right to withdraw their children from some specific aspects of RSE in schools.

A copy of the policy is attached to the email you have received. If you would like to offer any feedback on any part of the policy, please email me directly at [chris.fulwell@johnmason.oxon.sch.uk](mailto:chris.fulwell@johnmason.oxon.sch.uk).

The period of consultation on this policy will be two weeks in duration; as such please send us any feedback by Friday, March 31<sup>st</sup>.

Best wishes,

Chris Fulwell  
Associate Assistant Headteacher  
Director of Key Stage 3
