Clerical re-check

Confirms that:

- all parts of the script have been marked;
- the marks have been added correctly;
- the marks have been recorded correctly.

Review of marking

Checks that:

- no administrative error has occurred;
- the mark scheme has been applied correctly;
- there has been no unreasonable exercise of academic judgement.

It is not a re-mark of the script.

Amendments will be made only if errors in the original marking are identified.

Access to Scripts

Priority: copies of scripts to support reviews of marking.

Non-priority: copies of scripts to support teaching and learning.
