

## **Music Enrichment Opportunities**

At John Mason school there are a wide variety of opportunities for students to get involved in within Music. Lunch time clubs that are offered range from choir, orchestra and folk club where students of all abilities can attend. If students are grade 4 or above in an instrument they can become involved in the big band. The Music block has practice rooms that are available for students to book at select break and lunch times. There are numerous chances for students to showcase their talents to friends and family such as through the winter and spring concerts and the biennial school musical.
