HOW TO MEASURE YOUR CHILD

HEIGHT: Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

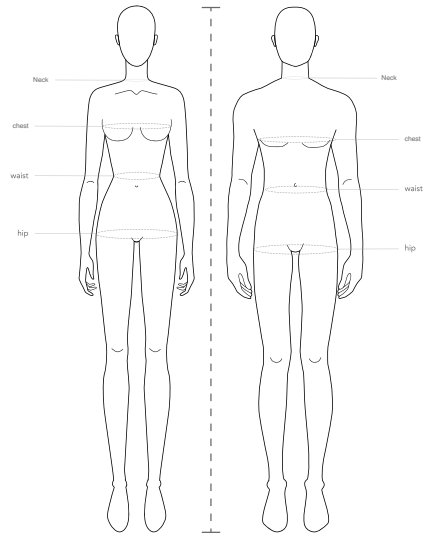

NECK: Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

CHEST: Measure the chest at the fullest part placing the tape close up under the arms.

WAIST: Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

HIPS: Standing straight, with heels together, measure around the fullest part.

INSIDE LEG: In bare feet take the measurement from the top of the inside leg to the floor.

GARMENT CARE

Always refer to your garment care label to ensure your garment looks just as good as the day you bought it.

Remember to also wash and dry your garments inside out, fasten any buttons and don't overload your machine.

We also recommend ironing your garments inside out on a cool setting to avoid heat damage.
